Charles P. Cardwell, Jr., was a native Virginian who developed his talents and abilities to their ultimate potential, thereby bringing honor to the state and institution which he served and deserved recognition to himself.

Yet, beyond these accomplishments, which may be traced and dated in the minute books of the organizations he served, are his accomplishments which may only be measured in the minds and hearts of those who knew him.

Charlie Cardwell was a Prince among men:

a leader who put others first
a teacher always eager to learn
a man of intellect with whom all could relate
a man of balance in an unbalanced world, of judgment in a position where judgment was required, of compassion where so often compassion was needed, of humor when humor could lessen a burden a builder who built much more than buildings a husband and a father, much to be admired.

His leadership in Hospital Administration will long remain an example to those who follow him. His death has left an empty place in the hearts of all who knew him.

He truly left his mark for all time on the Medical College of Virginia.

Therefore may we, the members of the Board of Visitors of Virginia Commonwealth University, rise in thankfulness for the work of Charles P. Cardwell, Jr., as our friend and associate for these many years -

and may we express to Mrs. Cardwell, and to his sons, Charles and John, our deep regret at his loss. We, together with the members of his family, shall miss him greatly.

Dr. Beller presented information relating to the appointment of Mr. James G. Guerdon as Vice President for Finance. Following a discussion, on motion made and seconded, Mr. James G. Guerdon was unanimously approved as Vice President for Finance at a salary of $38,000, effective August 22, 1977.

On majority vote of the Board, an executive session was held.

Mr. Cribbs and Ms. Epps joined the meeting for a presentation of the proposed 1978-80 biennial budget for the University. Following a presentation and discussion, on motion made and seconded, the 1978-80 University biennial budget was unanimously approved.
Mr. Norris, Chairman of the Student Affairs Committee, presented his committee's and the Administrative Committee's report on Student Affairs. Following a discussion, on motion made and seconded, the eighth line of the third paragraph on page 1 will end with the word "facts." On motion made and seconded, the "Report of the Committee on Student Affairs of the Board of Visitors and the Administrative Committee of VCU" was approved, as amended, with Mr. Norris dissenting.

The meeting was adjourned at 1:20 p.m.
